ICF-CD553RM

4 Band Under Cabinet Kitchen CD Clock Radio

features

- **Super Slim Interior Oriented Design** brings a multi-media entertainment center into the kitchen and mounts under a cabinet so it takes up no precious counter area
- **Aluminum Panel Accents** matches and enhances many of today's stylish aluminum and stainless steel appliances
- **4 Band Digital Synthesized Tuner (AM/FM/TV/Weather)** provides the most accurate drift-free tuning of all available radio stations, plus audio from TV channels 2-13, and up to the minute weather from your local Weather Band broadcasts
- **25 Station Presets** offer convenient one-button tuning to 10 of your favorite FM and 5 AM radio stations along with 5 TV channels and 5 weather frequencies
- **5 Direct Access™ Buttons** locate your favorite radio station with the touch of a button
- **Voice Memo** record or playback a grocery list or a message for a family member with the touch of one button on the front panel
- **Mega Expand/Mega Bass® Sound System** enhances reproduction of rich bass tones for a more complete and enjoyable listening experience
- **Front-Loading CD Tray** with slide-out mechanism for fast, easy access to the compact disc
- **CD-R/RW Playback**[1] plays all compact discs including CD-R (recordable) and CD-RW (rewritable); as well as your own compilations from CD recorder deck or PC. A great companion for your PC music
- **Cooking Timer** is built-in and eliminates the need for an additional timer unit for food preparation or other purposes, and automatically alerts you to the time you set
- **Magnetic Remote Commander® Remote Control** provides full function remote control on power on/off, compact disc, tuner and volume with a magnetic feature that allows you to keep the remote on your refrigerator door for quick and easy access
